

Assistant Professor

Tenure Track Faculty Position

The **Ralph E. Martin Department of Chemical Engineering** at the University of Arkansas invites applications for a tenure-track faculty appointment at the rank of Assistant Professor. The department is home to multiple national centers and supports research collaboration across disciplines. The salary will be nationally competitive and commensurate with the candidate's experience. Highly qualified candidates will be considered for appointment to an endowed professorship. The university is located in Fayetteville, a welcoming community which has been ranked in the top 10 places to live by U.S. News & World Report each of the last seven years.

Preference will be given to candidates that align with the current strengths of the department, including:

Chemical Hazard Consequence Assessment

Advanced Separations and Membranes

Cellular Engineering

Energy

Material Science and Engineering

Data Science/Computational Chemical Engineering

Nanotechnology

Water

The **College of Engineering** is dedicated to building and supporting an inclusive culture with a diverse and pluralistic faculty, staff, and administration.

The College encourages applications from all qualified candidates, especially individuals who contribute to diversity of our campus community and welcomes applications without regard to race/color, sex, gender, pregnancy, age, national origin, disability, religion, marital status, protected veteran or military status, genetic information, LGBTQIA+, or any other characteristic protected under applicable federal or state law. The College invites applicants with career interruptions to share the related circumstances and explain how these interruptions have impacted their career path.

Candidate qualifications include:

- Strong commitment to quality undergraduate and graduate mentorship
- Post-doctoral experience in industry, academics, national lab, etc.
- Demonstrated collaborative and interdisciplinary synergy with existing research strengths on-campus
- Show a commitment to promoting diversity, equity, and inclusion.
